

THE REDKEN SYMPOSIUM 2009

The Redken Symposium is the industry's premiere educational event and gathers over 10,000 Redkenites from all across the world!

The **REDKEN SYMPOSIUM** atmosphere is unconventional and unrivalled by anyone else in our industry. This time, there are no rules to hold you back... no formalities that tie your need to twist tradition and adjust reality. Our talented artists will work without rulebooks to encourage you to entertain your innermost aspirations. Using your mind over attitude, you'll sharpen your intellect with focus that inspires you, network with individuals who can think on your page, bring creativity from the outside in... and exhibit whatever you feel, whenever you feel it without judgment, attitude or compromise.

Las Vegas, a city which reinvents itself daily- and where color, energy, innovation and nightlife never end - will once again host the Symposium.

Join us at its most eclectic hotel, the Mandalay Bay Resort and Casino in 2009.

**Save the date:
January 18-20 2009**
